“When I Needed Help Selling Halo,

Johnson Consulting Was There For Me.

Everyone knows Johnson Consulting Group is the leader in brokering funeral homes and cemeteries. They also understood how Halo - an online urn and merchandise catalogue business - fit into the industry and offered the most comprehensive service and competitive rate. Most importantly, they know the right people and could make the right contacts for me.”

- **Mark Pennington** Previous Owner & CEO of Halo International Corp.

“The principles of mergers and acquisitions are the same, regardless of the nature of the business. By specializing in the death care business, JCG has a better understanding of your business, whether serving families, or serving the businesses that serve families.”
